Dear Parents,

Mornings can be really crazy! The alarm doesn't go off, the kids don't want to get up, there's no time to eat breakfast before the bus comes or they're just not ready to eat. If this sounds like your house, we have good news for you.

Clintondale Community Schools realizes the importance of students eating breakfast. Studies show that eating breakfast improves test scores, helps students pay attention in class and improves memory.

Everyday, breakfast will be available to **all students** at **NO CHARGE**. The district will be providing "**Breakfast in the Classroom**" at all **ELEMENTARY SCHOOLS** and in the cafeteria for the **High School & Middle School**, from 7:00am - 7:30am. Entrance for the High School and Middle will be at the back of the building.

Breakfast will be offered to all students and your student will have the option to eat a breakfast that meets USDA guidelines. We hope your child will take advantage of the great opportunity to eat breakfast every morning and give them the boost they need for their day of learning.

If you have any questions or concerns please feel free to contact me at 586-791-6300 ext. 1006
