

## Clintondale Community Schools Monthly Curriculum Digest

.....

June 2018

Whether you feel it went by quickly or slowly, June is here and we are saying goodbye to another school year. Students and staff are preparing for final exams, field days, graduation ceremonies, and summer programs. Although many refer to the break as “summer vacation”, we all know that summer is a busy time for school districts. While many of the students are away, the preparation for next school year takes place. Please read the important dates and list of summer learning opportunities carefully. And...

*Let's finish strong, Dragons!*

## *Amended* Summer Learning Opportunities

Professional Learning Forms were due to building administrators 4/30/18. HOWEVER, new learning opportunities that align with district and building level goals pop up all the time. Please be sure to check the MISD website for workshops that support these goals. The following workshops have been planned for this coming summer:

- June-Working with Surveys of Enacted Curriculum (Prek-8, Mathematics)
- June-MAISA Summer Conference (Prek-12)
- August-Cultural Proficiency
- August-(K-5) Math Workshop Training @ MISD **NEW!**
- August-Implementing Kagan Cooperative Learning Structures (Prek-12)
- August-8th Grade PSAT 8/9 Overview **NEW!**
- August/Sept-Using PowerSchool Assessment & Analytics and Schoology (Prek-12)
