

Too Many Zeroes (TMZ) is a program **designed to help** decrease the amount of missing assignments your student might have. The goal is to give students the opportunity to stay after school with a staff member and complete missing assignments. Students who are not required to go to TMZ may attend to work on classwork.

Start Date: Started October 17, 2018

Notification: Upon your student's 3rd missing assignment in a particular class, **they** will receive notice to serve TMZ on Monday and TMZ will be held after school on Wednesdays.

When: TMZ time will be served from 2:30 p.m. to 3:30 p.m. 6th grade TMZ will be in room 230, 7th grade in room 102 and 8th grade in the library. **Participation is mandatory.** Failure to attend TMZ may result in loss of High Five card and privileges. Continued failure to attend, **will** result in Academic Saturday School.

Process: If your student receives a referral for TMZ, they will also receive a copy of their "quick look up" located on Power School or a list of missing assignments. Your student should look for the missing work among their own belongings first. **If they have the assignments completed, they must still attend TMZ at the designated date to turn in the missing assignments or provide proof of completed work from their classroom teacher.** Once a TMZ notice is received, it is mandatory that your student attend the assigned TMZ date. If your student does not complete all missing work, then your student will attend the next TMZ session the following week.

* If your student normally takes the bus home, there will be bus transportation home after TMZ to the back of Parker and Farmbrooke.
